AQ Windsor Aged Care Services

Providing a wellness and enablement approach to creating homes where our residents feel in control, valued, connected, and independent.

An Australian Government accredited facility.

Situated in inner city Brisbane, AQ Windsor Aged Care Services offers a range of accommodation options, with single or shared bedrooms with ensuites, with our home designed to best promote healthy daily living and enable family visits.

Our 61-bed home offers 'ageing in place' across its two traditionally designed buildings, called Palmer and Thorne. Both feature sun-protected outdoor entertainment areas for eating, relaxing, and connecting with the outdoors.

AQ staff are specially trained in delivering holistic dementia care, enabling our residents to continue to lead an active and socially engaging lifestyle.

Activities

Residents can choose to participate in a range of group and individual activities, including cooking, music programs, art appreciation, art classes, and flexibility and fitness sessions.

Allied Health

Our wellness and enablement approach is reinforced by offering our residents access to a range of professionals, including 24-hour registered nurses, dentists, a physiotherapist, exercise physiologist, speech pathologist, occupational therapist, dietician, music therapist, and podiatrist.

Philosophy

Our philosophy is to care for our residents with respect, kindness, and compassion, to uphold their dignity, privacy, and comfort, to respect and endeavour to maintain their valued social role while conducting the administration and provision of quality care services in the highest professional manner.

Accommodation fees

Shared rooms require a maximum refundable accommodation deposit (RAD) of \$400,000, or maximum daily payments (DAP), or a combination of both apply.

Single rooms require a maximum refundable accommodation deposit (RAD) of \$550,000, or maximum daily payments (DAP), or a combination of both apply.

For further information regarding current fees, please visit www.alzheimeronline.org

Please note an assessment from the Aged Care Assessment Team is required, as well as an Assets and Income assessment by the Department of Human Services. For further information regarding this assessment, please contact My Aged Care on 1800 200 422 or visit www.myagedcare.gov.au
