

Dear **Insert Name**,

Thank you for reaching out to Alzheimer's Queensland for a personalised in-home assessment and care recommendations to support your client with dementia and their families.

We would like to offer you our **Personalised Dementia Care Strategies Service**, details as follows:

Assessor	Qualified Registered Nurse with dementia specific training
Cost of Package	\$385 (covers up to 3.5 hours) <i>Additional charges will apply with your consent should service requires longer visit</i>
What's Included	<ul style="list-style-type: none">• Pre-visit documentation review;• Pre-visit phone consultation with NOK and carers involved when required;• Face to face in-home assessment (we request that familiar carers and family be at present of home visit);• A completed care assessment report with recommendations for your service;• A follow up call from our assessor at a later date to evaluate effectiveness of recommended care strategies.

If you are interested in engaging this service with us, please fill out the attached referral form and reply to us in writing to confirm. At this stage, our assessors are happy to travel up to a 45 minute radius from Mt Gravatt, Brisbane.

Look forward to hearing from you.
