Part B : Care and Accommodation

B1 Care and Accommodation we will provide

We will provide you with Accommodation and the Standard Care and Services we consider or assess you require from the Specified Care and Services (see Part G) at the Residence from the Entry Date until this Agreement ends.

B2 Your Room and Accommodation

You have a right to occupy your Room and use the Communal Areas from the Entry Date for the remainder of your lifetime or until this Agreement ends.

B3 Nature of your rights

The occupancy rights conferred under this Agreement are contractual only and you:

- (1) are not conferred any tenancy or other estate or interest in or over the Residence; and
- (2) must not register this Agreement or lodge any caveat in respect of the Residence or any part of it (and if you do so, you irrevocably authorise us to remove or withdraw the relevant dealing).

B4 Additional Services

- (1) An Additional Service we offer may consist of Multiple Items or a Single Item that can be purchased for an Additional Service Fee.
- (2) As at the Date of this Agreement, the Additional Services (if any) that are available to purchase and the basis upon which they will be provided is set out in Part H.
- (3) If no Additional Services are specified in Part H, we will let you know if Additional Services are available after the Entry Date and if so, whether they are available for purchase on the terms set out in Part H or on another basis.

B5 What happens if your care needs change

- (1) If after entering the Residence your needs or condition change, we will:
 - (a) assess our capacity to provide you with additional or different Standard Care and Services;
 - (b) tell you if the change will affect the amounts you must pay us under this Agreement; and
 - (c) consult with you and your authorised representatives about our ability to continue to care for you, which will include an assessment of possible options and alternatives.
- (2) If your care needs exceed our capacity to provide you with Standard Care and Services, we may end the Agreement in accordance with clause D11.

Part C: Fees and Payments

C1 Type of Accommodation Cost you must pay

- (1) You must pay an Accommodation Payment if:
 - (a) your Means Tested Assessment at the Entry Date is equal to, or greater than, the Maximum Accommodation Supplement for that day; or
 - (b) you do not provide sufficient information to undergo an income and assets assessment, to allow your Means Tested Assessment to be calculated.
- (2) If you are not required to pay an Accommodation Payment because your Means Tested Assessment at the Entry Date is less than the Maximum Accommodation Supplement for that day, you must pay an Accommodation Contribution unless you are a Fully Supported Care Recipient.
- (3) If you are a Fully Supported Care Recipient, you may be required to pay an Accommodation Contribution at some point after your admission depending on your Means Tested Assessment in accordance with the Aged Care Act.
- (4) If the information provided to us to calculate your Means Tested Assessment is incorrect or altered and we subsequently determine that you should pay an Accommodation Payment instead of an Accommodation Contribution or that you should pay an Accommodation Payment instead of being a Fully Supported Care Recipient, your payments will be reclassified and recalculated with effect from your Entry Date based on the maximum charges notified at the Entry Date and the Method of Calculation. In that instance, your Accommodation Payment amount will be the same as the Advertised Room Price. If that occurs, an adjustment will be made and we will notify you of this. You must pay us any additional amounts due on the basis of the correct calculation within 7 days of us providing you with written notice.

C2 Rules regarding the amount of your Accommodation Cost

- (1) If you are required to pay your Accommodation Cost as an Accommodation Payment, the amount of the fee will be as set out in the Agreement Details, or, if no amount is specified, the Advertised Room Price.
- (2) If you are required to pay your Accommodation Cost as an Accommodation Contribution, the amount you have to pay can change from time to time depending on:
 - (a) your Means Tested Assessment; and/or
 - (b) the accommodation supplement amount that the Residence receives (which can change depending on whether we are significantly refurbished and the number of supported care recipients in the Residence at the time).
- (3) If the amount of Accommodation Contribution payable by you increases, you can elect to pay the difference by:
 - (a) increasing your Daily Payments;
 - (b) paying or topping up a Refundable Deposit; or
 - (c) a combination of these.
- (4) The amount of your Accommodation Contribution will not exceed the amount determined for you by the government based on your Means Tested Assessment.

C3 Effect of hardship determination on Accommodation Cost

- (1) Your Accommodation Cost can be reduced or waived if you are granted a financial hardship determination under the Aged Care Act.
- (2) If you apply to the Department for a financial hardship determination (or we apply for one on your behalf), you must still pay your Accommodation Cost if:
 - (a) the Department refuses to make the determination; or
 - (b) the determination is made but later ceases to be in force.

C4 How to pay your Accommodation Cost

- (1) Within 28 days of the Entry Date, you must elect to pay your Accommodation Cost by:
 - (a) Daily Payments;
 - (b) a Refundable Deposit; or
 - (c) a combination of these.
- (2) If you do not advise us how you will pay in this timeframe, you must pay by Daily Payments (although you can later choose to pay a Refundable Deposit).
- (3) If you decide to pay partly or wholly by Daily Payments, you can pay a Refundable Deposit or increase the amount of your Refundable Deposit at any time, which will reduce your Daily Payments.
- (4) If you choose to pay by Daily Payments, you must pay them in accordance with the Payment Cycle with the first payment due on your Entry Date. An adjustment will be made if you have entered on a day that does not fit with the Payment Cycle.
- (5) If you choose to pay a Refundable Deposit:
 - (a) you have up to 6 months after your Entry Date to pay your Refundable Deposit (although you may choose to do so before then); and
 - (b) you must pay Daily Payments until you pay the Refundable Deposit.
- (6) You can pay a Refundable Deposit, or increase the amount of your Refundable Deposit at any time. This will reduce your Daily Payments. If we agree to reduce your Daily Payments because you agree to increase your Refundable Deposit, we will only do so if you actually pay the increase to your Refundable Deposit.
- (7) You authorise us to complete this Agreement to include the selected or deemed method of payment.

C5 What can be deducted from your Refundable Deposit

- (1) If you pay a Refundable Deposit, we will deduct your Daily Payments if you ask us to in writing.
- (2) You authorise us to deduct the following from your Refundable Deposit either upon your request or, if the amounts are due and owing but unpaid :
 - (a) any amounts owing to us under this Agreement (including but not limited to Daily Payments, Care Fees and Additional Services Fee) and interest on those amounts; and
 - (b) any costs, charges and expenses we reasonably incur if you breach this Agreement.

- (3) We will advise you in writing if we make any deduction from your Refundable Deposit under clause C5(2).

C6 What happens if we make deductions from your Refundable Deposit

- (1) If we deduct any amounts from your Refundable Deposit, we will require you to maintain the agreed Accommodation Cost by your choice of the following:
- (a) paying the Daily Payment or increased Daily Payment amount, as notified by us;
 - (b) topping up your Refundable Deposit to the correct amount (which we will notify you of);
or
 - (c) a combination of these.
- (2) If amounts are deducted from your Refundable Deposit, the amount of your Daily Payments will increase.

C7 When we will refund your Refundable Deposit Balance

- (1) We will refund your Refundable Deposit less permitted deductions (Refundable Deposit Balance) in accordance with the rules in the Aged Care Act.
- (2) If you die, we will refund your Refundable Deposit Balance within 14 days of receiving a copy of the grant of probate or letters of administration.
- (3) Unless we agree otherwise, we will only refund your Refundable Deposit Balance to the authorised representative of your estate appointed pursuant to a grant of probate or letters of administration.

C8 Care Fees

- (1) The initial Care Fees you must pay are set out in the Agreement Details but these may change when we receive your Centrelink or DVA assessment if the change is accepted by us or required by the Aged Care Act.
- (2) Care Fees are calculated in accordance with the Aged Care Act as set out in Part J(15).
- (3) Care Fees are payable for your time at the Residence (including any periods of leave), subject to the annual and lifetime caps which are set under the Aged Care Act.
- (4) You must pay your Care Fees in accordance with the Payment Cycle. The first payment is due on your Entry Date.

C9 Changes to your Care Fees

- (1) We may reassess and vary the Care Fees you are charged:
- (a) by reapplying the formula in Part J(15), each time an assessment or variation is permitted under or prescribed by the Aged Care Act;
 - (b) each time the pension increases by way of making a corresponding increase to your Care Fees;
 - (c) based on applicable legislation or policies set by a government department or agency from time to time, including the Department;

- (d) whenever there is a change to your care needs under the Aged Care Act (in which case we will charge the maximum amount permitted under the Aged Care Act according to the level of your care needs); and/or
 - (e) if your Means Tested Assessment changes (in which case we will charge the maximum amount permitted under the Aged Care Act based on your means).
- (2) Changes to your Care Fees will take effect on the sooner of:
- (a) the first available date permitted by the Aged Care Act; and
 - (b) 28 days after we give you notice of the change.
- (3) We may review your Care Fees at any time permitted by the Aged Care Act and/or notified by the Department. Any delay in conducting a review does not prevent the review from taking place and being effective from the earliest possible date.

C10 Maximum charge applies if no assessment provided

- (1) If you have not applied for or received a Centrelink or DVA assessment prior to your Entry Date or for any other reason, and we have insufficient information to calculate or verify any payment, contribution, fee or charge payable by you under this Agreement, including by reason of information being withheld by you or a government agency, you must pay the maximum amount permitted by the Aged Care Act until an assessment can be made, at which time an appropriate adjustment must be made if a change is accepted by us or required by the Aged Care Act.
- (2) This means that until and unless we are advised otherwise, you must pay:
- (a) an Accommodation Payment; and
 - (b) the maximum Care Fees applicable under the Aged Care Act.

C11 Other services charges

- (1) You are responsible for obtaining or providing and paying the cost of any items that do not form part of the services we are required to provide and which we are not otherwise funded for.
- (2) Without limitation to the above, if you require our staff to accompany you to an appointment, you must pay the costs as notified to you.
- (3) Where permitted by the Aged Care Act, we may also charge you a fee for the items listed in Part 3 of Schedule 1 of the Quality of Care Principles set out in Part G.

C12 How to pay your fees

- (1) Unless otherwise agreed, you must pay all money payable to us under this Agreement by direct debit. For that purpose, you must provide us with a direct debit authority.
- (2) Deductions will be made in accordance with the Payment Cycle or, if a payment date falls due on a weekend or a public holiday, the next working day.
- (3) You must not cancel or suspend the direct debit authority unless alternative payment arrangements acceptable to us are made.
- (4) If in any payment period you believe you may have insufficient funds in your nominated account to pay us, you must notify us immediately to avoid us incurring bank charges and make alternative payment arrangements. We will pass on any fees charged by our bank.

- (5) Once this Agreement has ended, your direct debit authority must not be cancelled until all outstanding amounts payable under this Agreement have been paid.

C13 Refunds of overpaid amounts

- (1) If we determine that you have paid us more than you are required to pay under this Agreement, we will provide you with a refund by:
- (a) applying or crediting the relevant amount toward any other amount you must pay us or are scheduled to pay us; and/or
 - (b) refunding the balance (plus any interest due under the Aged Care Act) to you within 70 days of the Payment Cycle in which an overpayment is identified. Funds will be refunded by an agreed payment method or, failing agreement, in a manner we consider appropriate.
- (2) Based on the requirements under the Aged Care Act on the Entry Date, if we don't refund the overpaid amount of an Accommodation Payment or Accommodation Contribution within 28 days of the earlier of us becoming aware of the overpayment and you requesting a refund, we will pay interest on the overpaid amount calculated in accordance with the formula in the Aged Care Act from the 29th day until the refund. If the requirements under the Aged Care Act change, we will meet our obligations under the Act.

C14 Interest on late payments

- (1) Any money payable to us under this Agreement which is not paid by the due date will attract interest at the MPIR or any other rate prescribed under the Aged Care Act for that type of payment compounding on the sooner of:
- (a) the first permitted date by the Aged Care Act;
 - (b) the date the relevant payment is reviewed or again charged; and
 - (c) each calendar month.
- (2) Interest is calculated and applied to the period commencing on the first day permitted under the Aged Care Act or otherwise 14 days after the date the money becomes payable, and ending on the date the amount is paid in full or if prescribed by the Aged Care Act, when you cease to be provided with care, whichever is the earlier.
- (3) We may waive the payment of interest in writing.

C15 Costs on default

If you breach this Agreement, you must pay or reimburse us on demand all costs, charges and expenses we reasonably incur as a result of the breach.

C16 Prudential Standards

We are required to comply with the Prudential Standards which are set out in the Fees and Payments Principles. As at the date of preparing this Agreement, these obligations include:

- (1) complying with the liquidity standard (which requires us to maintain sufficient liquidity to refund our Refundable Deposits as required by the Aged Care Act);
- (2) maintaining a Refundable Deposit register which contains prescribed information about the Refundable Deposits we hold;

- (3) maintaining a governance system regarding our management of Refundable Deposits;
- (4) providing to the Department an annual prudential compliance statement about our management of Refundable Deposits;
- (5) if you have paid a Refundable Deposit, providing to you:
 - (a) within 7 days of your request, a written statement containing information about your Refundable Deposit as required by the Fees and Payments Principles; and
 - (b) on an annual basis:
 - (i) a copy of the entry into the Refundable Deposit register with respect to the Refundable Deposit paid by you, as at the end of the financial year; and
 - (ii) a written statement that we will provide the statement referred to in clause C16(5)(a) to you if asked; and
- (6) providing you and prospective care recipients with financial statements about our management of Refundable Deposits as required by the Disclosure Standard.

C17 Disclosure Statement/Your Right to Receive Financial Information

- (1) Under the Aged Care Act, you are entitled to receive particular financial information from us.
- (2) On request, we will provide you with the following information regarding the previous financial year:
 - (a) a summary of the permitted uses for which we have used Refundable Deposits and accommodation bonds;
 - (b) information about whether we complied with the requirements for permitted uses of Refundable Deposits and accommodation bonds and with the prudential requirements for Refundable Deposits and accommodation bonds;
 - (c) information about the number of Refundable Deposit/accommodation bond balances (if any) that were not refunded in accordance with the timeframes set by the Aged Care Act;
 - (d) for entry contributions (payable before 1997), information about the number (if any) that were not refunded in accordance with the entry contribution agreement;
 - (e) a copy of the independent audit opinion on our compliance with the prudential requirements for Refundable Deposits and accommodation bonds; and
 - (f) the most recent statement of our audited accounts.
- (3) In addition, we must provide:
 - (a) If you have already paid a Refundable Deposit or accommodation bond, a copy of your entry in the Refundable Deposit register; and
 - (b) If we invest Refundable Deposits or accommodation bonds in particular kinds of permitted financial products, our investment objectives and the asset classes invested in.

Part D: Rights and Responsibilities – General Conditions of Occupation

D1 Relocation (changing rooms)

- (1) We will consider any request to move to another room in the Residence (although we are not obliged to facilitate a move).
- (2) If you have been placed in a Room because you have told us that you will pay an Accommodation Payment and we subsequently find out that you are not eligible to pay an Accommodation Payment, you agree that you will move to another room in the Residence as notified to you within 24 hours of our request.
- (3) You acknowledge that we consulted with you about the possibility of you having to change rooms within the Residence.
- (4) You also agree to move to another room in the Residence if:
 - (a) the move is necessary to carry out repairs or improvements to your Room (you will be able to return to that Room once the repairs or improvements are completed if it still exists);
 - (b) your Room becomes an extra services room and you elect not to pay the Extra Service Fee; or
 - (c) the move is necessary on genuine medical grounds as assessed by the aged care assessment team or at least 2 medical or health practitioners who are competent to assess your aged care needs (one appointed by you and one appointed by us, or if you fail to make a nomination, your general practitioner).

D2 Effect of room move on your Accommodation Cost

- (1) Moving to another room will not change your Entry Date under this Agreement. The Entry Date will continue to apply for the purposes of clause C1 and for the purposes of applying the rules in relation to the minimum permissible asset value under the Aged Care Act.
- (2) If you propose to move to a new room in the Residence and the move is voluntary:
 - (a) you and we must agree, before the move occurs, that this Agreement is to be varied when you move to specify the new room or the new part of the room;
 - (b) the day on which the Agreement is varied will become your Price Agreement Day; and
 - (c) you may be charged an Accommodation Payment amount, after the move, that is higher or lower than the Accommodation Payment for your old Room (provided this does not exceed the Advertised Room Price for your new Room on the Price Agreement Day).
- (3) If you are required to pay a higher Accommodation Payment amount for your new Room, you may choose to pay the additional Accommodation Payment amount by:
 - (a) Daily Payments;
 - (b) a Refundable Deposit; or
 - (c) a combination of these.

- (4) If we require you to temporarily move to a new Room in the Residence for less than 28 days:
- (a) we will first tell you in writing which Room you must move to;
 - (b) there will be no change to your Price Agreement Day; and
 - (c) you will continue to be charged the same Accommodation Payment amount that you were paying before the move.
- (5) If we require you to move to a new Room in the Residence for 28 days or more:
- (a) we will first tell you in writing which Room you must move to;
 - (b) the day on which we give you notice of the move will become your Price Agreement Day; and
 - (c) we will not charge you an Accommodation Payment amount that is higher than the Accommodation Payment you were paying before the move or our advertised Accommodation Payment amount for the new Room on your new Price Agreement Day.

D3 Taking temporary leave

- (1) You are entitled to take up to 52 days of social leave per year (eg for holidays, visiting family or any other reason you choose). Otherwise, you must not be away from the Residence for a continuous period exceeding 7 days except in cases of emergency such as if you are admitted to hospital, or in other circumstances provided for in the Aged Care Act (eg Pre-entry Leave).
- (2) If:
- (a) you are away from the Residence for a reason other than those permitted by the Aged Care Act and this affects the amount of subsidies we receive under the Aged Care Act; and
 - (b) you wish to retain a place in the Residence,
- then for each day that your place is reserved, we will charge you:
- (a) your Care Fees and any other amounts payable under this Agreement including your Daily Payments and/or Additional Services Fee (if applicable);
 - (b) an amount equal to the subsidies that we would have received under the Aged Care Act if you were not on leave; plus
 - (c) any other amounts prescribed under the Aged Care Act.

D4 Charter and Code of Conduct

- (1) You have rights and responsibilities under law, including under the Charter.
- (2) You also have responsibilities under our Code of Conduct.
- (3) We may alter the Code of Conduct after consulting with you and other care recipients of the Residence and giving you at least 28 days' notice of the change.

Part M Specialist Dementia Care Program

Commonwealth Specialist Dementia Care Program – Important information about Length of Stay, Security of Tenure, and Fees

Signing a Specialist Dementia Care Program Agreement with your provider. What is this?

As a condition of entering the Specialist Dementia Care Program (SDCP), the person (or their representative) must accept a suitable mainstream place when the Clinical Advisory Committee determines they are ready to transition out of the program.

The person (or their representative) will need to sign an agreement that indicates they have read and understood the information on this fact sheet.

The provider will assist with any questions about the admission to the Specialist Dementia Care Program.

The Specialist Dementia Care Program offers transitional support. What does this mean?

The SDCP offers temporary, transitional care to stabilise and reduce a person's behavioural and psychological symptoms with the aim of enabling them to transition to a less intensive care setting.

A person's stay in a SDCP unit is not permanent. When the person's behavioural and psychological symptoms stabilise, the SDCP provider will support them to leave the program and move to a less intensive care setting.

It is expected that the usual length of stay in a specialist dementia care unit will be up to 12 months, although this will vary for each person.

Planning for transition-out will commence from admission and involve the SDCP provider, client, and their family and carers. Parties should identify at admission if the person's (or their representative's) preference on discharge is to:

- 'step down' to a mainstream place within the SDCP provider's broader residential aged care facility
- return to a previous residential aged care service
- move to a new residential aged care service.

What is 'security of tenure' (a guaranteed place) for a typical Residential Aged Care admission?

When a person enters a resident agreement, the aged care facility must provide them with a safe and secure environment and the agreed levels of care for as long as they need. This is called 'security of tenure'. The resident agreement would include detailed information about this.

More information about general security of tenure provisions is available on the [My Aged Care](#) website.

A person's stay in the Specialist Dementia Care Program unit is not permanent. What does this mean?

The length of a person's stay in a SDCP unit will depend on the person's response to the level of care provided under the program. A person keeps their place in the SDCP unit only until such time as they no longer need the specialist dementia care provided under the program.

The SDCP provider will regularly talk to the person and their carer/s about their care needs and discuss likely transition-out times so there is a smooth transition from the unit to a lower intensity care setting. Transition planning will commence on and prior to admission.

This may be within a 'step-down' unit within the same aged care facility, or the person may choose to move to another aged care facility or a different care setting.

The SDCP unit will have a Clinical Advisory Committee which will review the care needs and the progress of all people within the unit. The Clinical Advisory Committee will determine a person's need to remain in the unit, or their ability to move to a less intensive care setting.

When the Clinical Advisory Committee determines a person no longer needs the level of care provided under the SDCP, the provider will work with person and their family to transition the person to another care setting.

What if the person has been admitted to the specialist dementia care unit from another aged care home? Will they be able to return?

If a person has left one aged care home in order to enter a specialist dementia care unit, they would no longer have security of tenure (their place) in the original home. However, once a person is ready to transition out of the specialist dementia care unit, they may of course talk to the original aged care home to see if there is a suitable vacancy.

What fees are payable in a specialist dementia care unit?

The arrangements for fees and payment for care in a specialist dementia care unit are the same as in mainstream residential care. Residential aged care recipients are required to contribute to the costs of their care and accommodation, with fees dependent on their ability to pay (means testing).

Could a person's fees and payments change if they move into a specialist dementia care unit?

There will be no change to basic daily care fees or means tested care fees as a result of a person moving from mainstream residential aged care to a specialist dementia care unit.

Residential aged care recipients may also be required to pay an accommodation contribution (determined by their means test) or an accommodation payment up to the amount published by the residential aged care provider on My Aged Care.

As a result of moving from a mainstream residential aged care service into a specialist dementia care unit a person could be asked to pay more or less towards their accommodation compared to what they were previously paying.

What happens if the person has previously paid a refundable accommodation deposit to another aged care home?

If a person is currently in another residential aged care home and has previously paid a refundable accommodation deposit (RAD), this will be refunded, in accordance with the Aged Care Act 1997, when they leave their existing residential aged care service to enter the specialist dementia care unit. The

person can then choose to pay a daily accommodation payment (DAP), RAD, or combination of both to the SDCP provider. This is consistent with other moves between residential aged care services.

However, the person could also agree for the original provider to transfer the lump sum RAD directly to the specialist dementia care unit provider.
