Home Care Packages

Enabling older people to maintain their independence and stay at home for longer.

An Approved Aged Care Provider

About AQ @ Home

Alzheimer's Queensland is a leading, not-for-profit provider of community and home aged care service in south-east Queensland.

We are committed to providing personalised and exceptional aged care programs and services to meet the ever-increasing demands of our population.

Through our AQ @ Home we offer individually tailored home care packages with a restorative and wellness approach designed to optimise independence, leaving you, or your loved one, feeling supported and empowered.

Our home care packages offer you an extensive choice of care and services, allowing you to decide what's most suited to your life and wellbeing.

AQ @ Home supports you through wide-ranging services, enabling you to remain at home, immersed in your local community, for as long as possible.

Why choose AQ @ Home

- ✔ Free home care package evaluation to review your care requirements and current budget
- ✔ Where possible, a guarantee of the same returning home care staff, allowing you to feel comfortable and familiar with the personnel entering your home
- ✔ A regular service time and day based on your requirements and schedule
- ✔ Certified and experienced care staff fully trained on COVID-19 infection control

How do you access a home care package?

Home care packages, sometimes referred to as consumer directed care (CDC) packages, are funded by the Federal Government to help people live independently in their own homes for as long as possible.

At AQ @ Home, we recognise every individual requires a different level of care, which may change over time. We therefore offer flexible care and service packages specifically tailored to you, or your loved one's needs.

Your bespoke package can also include special items to support you, or your loved one's needs, such as mobility aids, incontinence aids, home modifications, or even block respite, enabling a carer to attend a special event or go on holiday.

Call 1800 272 846 today to confirm which services are in your area.
