

McNally House

To those who believe every stage
of life should be honoured, may
this home offer comfort, dignity,
and joy.

McNally House is a luxury aged care home in Upper Mount Gravatt. This home offers premium accommodation to Older Ladies looking for autonomy and social companionship, whilst benefiting from the safety net of support as and when they want or need.

What Makes McNally House Exceptional:

- Household members continue being immersed in the local community and enjoy active social lives.
- Professional homemakers for support with all care needs.
- Spacious single person ensuite bedrooms with design features that can meet an array of care needs, and can be personalised with individual belongings.
- Fully equipped domestic kitchen for use by household members.
- Free-flowing internal and external courtyard spaces.
- Access to clinical staff such as Household Nurse, Physiotherapist, Music Therapist and more.
- Access to the AQ Wellness Centre, housed on the topmost floor, accessible via internal lifts.
- Protective features such as secure property perimeter.

We provide a home anchored with respect, kindness and compassion. Contact us today.
