Garden City Aged Care Services

A home that offers 'Ageing in Place', and
where you feel valued and connected.

An Australian Government accredited facility.

Situated in Upper Mount Gravatt, Garden City Aged Care Services offers 'ageing in place'.

The home has a range of accommodation options, single room suites with a kitchenette and a dementia friendly cottage. Our kitchenette style rooms are especially suited for residents who like studio style living and enjoy outings into the community by self or with family and friends.

Palm Court, our dementia friendly cottage, is a domestic style home with amenities such as fully functioning kitchen, ensuites, and beautiful outdoor areas.

Our staff are specially trained in delivering holistic care, enabling residents to continue an active and socially engaging lifestyle.

Activities

Residents can choose to participate in our home's various activities, such as cooking, art, happy hours, flexibility and fitness sessions, shopping and coffee outings, pet therapy, and music programs.

Health Professionals

This home is co-located with AQ's Wellness Clinic which houses state-of-art HUR gym equipment. In addition to residents having in-home access to 24-hour registered nurses, dentist, physiotherapist, speech pathologist, dietician, music therapist, and podiatrist, residents can also access allied health one-on-one and group classes at the clinic.

Accommodation Fees

Residential Care in Australia generally incurs a financial contribution/fee payable by residents. For further information regarding our fees, please visit www.alzheimersonline.org.
