Eurobodalla & Surrounds Community and Home Care Services

Supporting Older Australians
towards wellness, independence
and social connectedness.

An Approved Aged Care Provider

DACS is a leading provider of community and home support in New South Wales.

We are committed to providing personalised and exceptional aged care programs and services that meet the dynamic needs of our ageing population.

We have several core home support services that can help you to continue living at home longer and enhance your wellbeing.

DACS services in your area:

- ✓ In-home respite where you can have a companion and support in the comfort of your own home.
- ✓ Social support and community engagement which enhances your opportunities to connect with others and participate in the wider community.
- ✓ Personal care services such as showering, dressing and hygiene.
- ✓ General house cleaning to enhance safety in your home and help you to continue living at home longer.
- ✓ Allied health that can help maintain or restore wellness and independence.
- ✓ Dementia advisory service to support carers of people with a diagnosis of dementia.
- ✓ Additional supports such as transport, light gardening, and clinical nursing.

Whilst, DACS offer a wide range of home support services, we understand you and your loved one's needs may change over time. You can contact us on 1800 322 767 to discuss your options.

Fees

DACS services can be accessed through various funding arrangements. Clients access our services through the Commonwealth Home Support Program (CHSP) and Home Care Packages (HCP). Clients may also access our services through other avenues such as private pay and brokerage.

As per Government guidelines most CHSP services incur a client contribution. For HCP clients, your fee contribution is established by Services Australia.

N.B. Not all service types are available through CHSP funding in this region. Some are only available through HCP, brokerage or privately. Please contact us to find out more details.
