AQ @ Home Community Nursing Services are a comprehensive clinical nursing service that can help maintain your health, wellness and dignity.

Our Nursing Services include:

- Incontinence Management, including prescriptions of appropriate products
- Catheter Care
- Wound Care
- Falls Management
- Hygiene Management
- Pain Management
- & More

Service delivery occurs both via telehealth and in-person, as suitable to each service type and service needs.

Referrals

No referrals are required for self-funded clients. For government subsidised services, please contact us on approval pathways to follow.

Fees

Services can be accessed under the Commonwealth Home Support Program (CHSP) and Support at Home (SaH) program; pending eligibility and approvals.

You can pay for your services privately as well.
